Door Profiles - Outside

Getting to the Outside Profile List

Navigate to the list of outside profiles by clicking ***Bidding > Door Profiles - Outside*** on the database admin dashboard. Clicking on the name of any outside profile in this list will allow you to edit that outside profile.

Outside Profile Editor

This section will explain what each field means.

- Main
  - **Name**: *Required* Display name of outside profile.
  - **Available**: When false, will not show up in the list of outside profiles on the site.
  - **Shop Staff Only**: When true, only shop staff users can see / add this outside profile.
  - **Description**: Description of the outside profile, shows up on the site.
  - **Upcharge Per Door**: Price per door for this outside profile.
  - **Image Original**: Can upload a single image this outside profile.
- XML Export
  - **Export Value**: This will overwrite the name of the outside profile that is exported to Microvellum. If blank, the name of the outside profile will be exported.
  - **MV Prompts**: This is a list of properties that will be exported to Microvellum. Can use any of the variables shown on this tab.
- Availability
  - **Product Line**: This outside profile will be available in all of the selected product lines.
  - **Door Styles**: This outside profile will be available to any of the selected door styles.
