Door Profiles - Panel

Getting to the Panel Profile List

Navigate to the list of panel profiles by clicking ***Bidding > Door Profiles - Panel*** on the database admin dashboard. Clicking on the name of any panel profile in this list will allow you to edit that panel profile.

Panel Profile Editor

This section will explain what each field means.

- Main
  - **Name**: *Required* Display name of panel profile.
  - **Available**: When false, will not show up in the list of panel profiles on the site.
  - **Shop Staff Only**: When true, only shop staff users can see / add this panel profile.
  - **Description**: Description of the panel profile, shows up on the site.
  - **Image Original**: Can upload a single image this panel profile.
- Pricing
  - **Upcharge Per Door**: Price per door for this panel profile.
  - **Material Type**: Which type of material is used (hardwood, veneer, or custom). Determines which material factor should be used.
  - **Custom Material Factor**: Custom material price if **Material Type** is custom.
- Availability
  - **Product Line**: This panel profile will be available in all of the selected product lines.
  - **Door Styles**: This panel profile will be available to any of the selected door styles.
- XML Export
  - **Export Value**: This will overwrite the name of the panel profile that is exported to Microvellum. If blank, the name of the panel profile will be exported.
  - **MV Prompts**: This is a list of properties that will be exported to Microvellum. Can use any of the variables shown on this tab.
